DIVINE LUXURY

Discover Larissa and experience divine luxury

The historic hotel Divani Palace Larissa, located at the heart of the commercial center, just minutes away from the city's main square and just opposite from Larissa's ancient theater, has reopened at the end of 2005 and has become since then the new luxurious meeting point in Larissa.

This is a modern five star hotel focused in an upscale service for the guests and the citizens of Larissa.

Your home away from home

The hotel's 74 guestrooms including 5 suites are appointed with modern amenities to offer only the very best in comfort each with an inviting ambience and a contemporary décor.

While there are many objective reasons for selecting Divani Palace Larissa there are others that can only be experienced such as the discrete and devoted service and a continuous feeling of being at home.

The ideal venue for any type of event

Divani Palace Larissa makes the ideal venue for all types of meetings, business conferences as well as for your own special events. The conference centre of the hotel measures 700 m² and can host up to 800 guests.

The beautifully appointed meeting rooms are much more than aesthetically pleasing and boast hi-tech features and amenities designed to support our guests' business.

Experience Larissa through Mediterranean cuisine

Greek cuisine needs no introduction. The hotel offers a tranquil restaurant where one can return to the roots of Mediterranean cuisine. Furthermore, the bar of the hotel with its great selection of cocktails and drinks is the ideal place to relax and unwind.

Unique as it may be the setting would be nothing without our experienced and well trained personnel that bring it to life. If the loyalty of our guests is legendary, it is also because they can always be sure of finding the same dedicated and attentive staff on every visit.

Relax and rejuvenate your body and mind

To complete your luxurious stay we propose a visit to the spa. The Spa Centre is the perfect respite for our guests to relax, unwind and rejuvenate. Guests can enjoy a refreshing swim in the indoor pool with waterfall heads, receive a massage from one of our trained masseuses, indulge a unique treatment from our large list or rejuvenate at the steam bath.

Furthermore, here one can find a fully equipped fitness center because according to ancient Greeks "a healthy mind needs a healthy body".
